

Ambleside Primary School
Stakeholder Survey Questionnaire Results
Autumn Term 2011

Dear Parent/Carer

Thank you to all those people who took the time to complete our recent stakeholder survey questionnaire. We received over 60 completed forms from across the whole school and were delighted by the responses.

Below is a graph showing the questions that were asked and the number of answers that people gave. It is particularly pleasing to note that parents and carers strongly agree that their child enjoys school and that Ambleside Primary keeps their child safe. As a leadership team will be looking closely at those areas where there was less agreement and looking at ways in which we can address them.

The next stakeholder survey questionnaire will be sent home in the next half term and the focus will be: 'School Dinners and Lunchtimes at Ambleside Primary School'.

I look forward to reading your opinions on this aspect of school life.

Yours faithfully,

Mr. L. Noble
Deputy Head Teacher
