

Ambleside Primary School
Stakeholder Survey Questionnaire Results
Autumn Term 2011

Dear Parent/Carer

Thank you to all those people who took the time to complete our recent stakeholder survey questionnaire. We received 27 completed forms from across the whole school.

Below is a graph showing the questions that were asked and the number of answers that people gave. It is particularly pleasing to note that parents and carers are mostly positive about our lunchtime provision. Thank you to those who also provided written comments. We will ensure that these comments are passed on to the relevant people and that issues raised are fully addressed. As a leadership team we will be focussing closely on those areas where there was less agreement and looking at ways in which we can address them.

Thank you for your continued support.
