

Our visit to the church

On Wednesday 4th March 2009 class 8 went to the Evangelical church in Aspley.

First we walked to the church. Mr Noble kept on stopping us because of the dog poo. It looked like Mr Noble was inspecting the dog poo.

Secondly we were at the church ken who usually come's to our school invited us in, then we hung our coat's up in the smelly coat room. I hoped my coat would not smell.

Then Ken sat us down and showed us some bible's the best was the white and gold bible.

After-that ken lead us in to a big hall full of people dressed up in funny clothes. And we saw 4 stories.

Next we watched a video it was about Jesus to carry on the story's after we watch the video we tasted food that Jesus had to eat then ken told us why we were there at the church.

After a while we had a drink and biscuit and then we had to do a task and we had to find triangles in the big hall. Then I finished and everyone finish the task.

Finally we walked back to the school It was a fantastic day I want to go again.
