

Our visit to the church

On Wednesday 4th march 2009, class 8 went to the Evangelical church in Aspley to learn about Jesus and The Bible.

We were too early so we had to wait a few minutes. Then a man introduced us to some people from The Bible. My favourite was the Roman soldier because he looked good in his costume.

After that we watched a film. It was wicked! Someone said the room smelt but I didn't agree.

After a while we tasted some nasty food. Some people spat it out.

Then we had some biscuits and a drink of orange juice and blackcurrant. I liked it, it was delicious!

When we finished we needed to do some tasks. We had to find triangles. I only got eight questions finished. Most people got 10 questions done. Everyone thought it was fun.

Next we needed to go we said bye. On the way back I saw my mum working at the flower shop.

When we got back to school we talked about what we did it was very fun.
