

Our visit to the church.

On Wednesday the 4th March 2009, Class 8 went to the Evangelical Church on Aspley lane to learn about the Bible.

Firstly, we walked in a line down Ambleside road. We had to be careful of the cars.

When we arrived at the church, Ken, who often comes to our school to do an assembly, opened the door and welcomed us. We walked in to the church and Ken showed us where to hang up our coats.

Next, Ken asked us to sit down while he showed us lots of different Bibles. I liked the white and gold one that his wife had been given many years ago when she was a bridesmaid.

After that, Ken shouted to another man who was to be our guide. He took us into the main hall where we saw Mary and other characters from the Bible. I enjoyed listening to Mary and a boy who was dressed as a Roman soldier who had killed Jesus. He told us that he had felt sad when they had put Jesus on the cross.

Next, we walked in to a cinema room to watch a film about Jesus. I liked it because Mary and everyone else saw Jesus come back to life.

Next it was time to try some food from Bible times. I tasted an olive. Eughh! It was salty so I spat it out in the bin. I preferred the juice and biscuit that I had next.

After break we did a quiz. The lady who gave it us told us that we had to be like squeaky mice so that we wouldn't disturb the other schools. I managed to answer most of the questions. They were easy!

Finally, it was time to collect our coats and go back to school. We said thank you to everyone as we left.

It was a great trip and Mr Noble was really proud of us all because we had behaved so well. I would like to go again. I think that I might take my family next time.
