

Our visit to the church

On Wednesday 4 March 2009 Ken invited class 8 to his church.

Firstly we walked down to the church. On the way my friend Jack nearly stood in something horrible.

When we got there we hung our coats up on the pegs.

After that we sat down on the carpet and Ken introduced us to Luke who told us about Jesus and the bible.

When we got in this big room we saw Mary who told us about having Jesus as a baby. Then we saw another girl who told us that a man lost a sheep and found

Finally we saw a boy Roman who had killed Jesus.

After that we went in a mini cinema. It was strange. The film was about Jesus dying and coming back to life.

Next we tasted some food. It was disgusting. Then we had a biscuit and a drink.

After a while we did a quiz. I think I got them all right.

After we had completed the quiz it was time to go back to school. We got our coats and said goodbye.

I really enjoyed the visit and would love to again.
