

# Level 1 Homework

Handed out Friday 4<sup>th</sup> December- Week 10

**To be returned by: Wednesday 9<sup>th</sup> December 2009**

## Maths

L.O: To solve maths word problems

1)  $5 + 3 = \square$  2)  $18 + \square = 20$  3)  $10 - \square = 5$  4)  $20 - 11 = \square$

5) Jane has 1 book of 10 stickers, 1 book of 2 stickers and 5 single stickers. How many stickers does she have altogether?

6) Sarah estimates that there are 60 marbles in a jar. Anna thinks there are 10 more than that. What is Anna's estimate?

7) Four runners in a race have the numbers 19, 18, 12 and 21. The runner with the lowest number wins. Which runner wins the race?

8) I am an odd number. I am between 8 and 11. What am I?

9) Robin has 10 stamps in a big book. He puts 3 of them into a smaller book. How many stamps are left in the big book?

10) There are 9 crayons in a red box and 16 in a blue box. Which box has more crayons? How many more?

---

## Literacy

LO- To use commas to break up long sentences.

Commas- Copy these sentences into your book, putting in the missing commas. Remember, a comma helps break up longer sentences into smaller parts to make more sense.

1. A hedgehog is small with a spiny body.
2. The car a red car zoomed past them.
3. Mum parked in the car park near the bank.
4. I would like an ice cream a vanilla one.
5. After stopping for a drink the hikers drove off.
