**Literacy: L.O: Be able to use the appropriate tense.**

**Activity 1**

This paragraph is written in the **past tense**. Write it out using the **present tense**.

My friend Sam's uncle was very odd! He kept alligators in a swimming pool in his garden! The postman was frightened of them and wouldn't deliver the letters. Sam's uncle said they were friendly. He fed them sausages and lamb chops. The neighbours were worried in case the alligators ate their pets!

My friend Sam's uncle is very odd! He .....

**Activity 2 - Add the suffix -ing to these words. (Hint: what happens to the final 'e'? or What do you have to do to the final consonant?)**
