

## Level 2 Homework – 2/10/09 - 2

To be returned by Wednesday 7<sup>th</sup> October.

**Maths:** L.O. Add or subtract mentally pairs of two-digit whole numbers.

**Add.** (You could use a number line to 'count on' to help you.)

1. In Unicorn house, Jess has 11 house points and Alana has 10 more. How many house points does Alana have?
2. In Pegasus house, Charlie has 28 house points and Harry has 11 more. How many house points does Harry have?
3. In Dragon house, Joshua has 32 house points and James has 12 more. How many house points does James have?
4. In Griffin house, Joseph has 45 house points and Amelia has 13 more. How many house points does Amelia have?

**Subtract.** (You could use a number line to 'count on' to help you.)

1. Unicorn house have 24 points and Dragon house have 13 less. How many points do Dragon house have?
2. Griffin house have 55 points and Unicorn house have 31 less. How many points do Unicorn house have?
3. Pegasus house have 70 points and Griffin house have 15 less. How many points do Griffin house have?
4. Pegasus house have 70 points and Dragon house have 57 less. How many points do Dragon house have?

---

**Literacy:** L.O: To be able to improve sentences by adding adjectives.

Write the description out in full and fill in the blanks with ambitious vocabulary to describe things in more detail. For example, Miss Cackle's Academy for wicked Witches...

### The Worst Witch

Miss Cackle's Academy for \_\_\_\_\_ Witches stood at the top of a \_\_\_\_\_, \_\_\_\_\_ mountain surrounded by a \_\_\_\_\_ forest. It looked more like a \_\_\_\_\_ than a school, with its \_\_\_\_\_, \_\_\_\_\_ walls and turrets. Sometimes you could see the pupils on their \_\_\_\_\_ broomsticks flying around like \_\_\_\_\_ above the playground wall. Usually the place was half hidden in \_\_\_\_\_ mist, so that if you glanced up at the \_\_\_\_\_, \_\_\_\_\_ mountain you would probably not notice the \_\_\_\_\_, \_\_\_\_\_ building was there at all. It was a very strange place where strange happenings occurred all the time!

**Good luck!**
