

Ambleside Primary School

Whole School Council Minutes

Date: 23 th March 2010	Whole School/Meeting	Minutes: Anya
Present: Miss Nusselder, Portia, Tyrese, Jack, Taylor, Nikita, Millie, Anya		
Agenda: 1. Feedback from last meeting 2. AOB		
Discussion Notes: 1. Nikita gave feedback from last meeting. Mrs Hannon has discussed the 'friendship bench' with the dinnerladies, and is happy with the idea. Nikita will discuss with Mrs Tennick. Wet play time arrangements (children going into different classes to see their friends) will be discussed during the next meeting with dinnerladies and Mrs Hannon. Mrs Hannon has ordered some new wet-play games. Librarians have been chosen from Y5 and have a badge to wear. They regularly go into the library and tidy up. Mrs Hannon asks the school council to come up with an idea how to keep the floors in the dinnerhall tidy. Nikita will see Mr Birchnall about getting some new equipment for the yard. 2. Suggestion from school council about keeping floor tidy in the dinner hall: Choosing 'floor monitors'. Children who do not keep the floor tidy, will need to sit at a different table. 3. We now have a master list of new ideas for Ambleside Academy. Miss Nusselder will ask the phase managers to narrow it down to 5 choices for each phase and later on this term the council members will go around the classes to tally. 4. Miss Nusselder talked about 'the Grange School' (where Mr Hannon works) and told us about the fact that they would like to start using a nearby field as their own school field. The school council decided to support their plea and will go around classes next week to collect signatures and will send these to Mr Hannon.		
Actions taken by Whole School Council Nikita to talk to Mr Birchnall about having more equipment out at dinnertime.
